

## The Details

When a family of raccoons discover worms living underneath the sod in Jeff and Nealy's backyard, this pest problem begins a darkly comic and wild chain reaction of domestic tension, infidelity and murder. (R USA)

## Movie DB Rating

## 1 Reviews

**Cameo** says: *It's been awhile since I saw it but I remember hating it & that it drags on forever. I couldn't wait for it to end, maybe I should give it another chance but I don't want to sit through it again.*

Excellent   Great   Good   OK   Irritating   ICK!
